THE TEXAS ESTATE PLANNING CHECKLIST.

Three short lists: your people, what you own, and what you already have. Fill it in at the kitchen table. A rough picture is enough.

I YOUR PEOPLE

- [ ] Who depends on you: spouse, children, parents, anyone you support
- [ ] Who should inherit, and whether anyone needs help managing what they receive
- [ ] Who you trust to act for you on money matters if you cannot
- [ ] Who you trust to make health care decisions if you cannot
- [ ] Who should settle your estate (your executor or successor trustee)
- [ ] If you have minor children: who should raise them

II WHAT YOU OWN

- [ ] Your home and any other real estate, and how each is titled
- [ ] Bank and investment accounts
- [ ] Retirement accounts and life insurance, and who is named as beneficiary
- [ ] Business interests, and any company agreement
- [ ] Vehicles and valuable personal property
- [ ] Debts: mortgage, loans, anything others would need to know about

III WHAT YOU ALREADY HAVE

- [ ] Any existing will or trust, and the date it was signed
- [ ] Powers of attorney, a directive to physicians, a HIPAA authorization
- [ ] Beneficiary forms that may need an update after a marriage, divorce or birth
- [ ] Where the originals are kept, and who knows where to find them
